STEP 2

UPDATE YOUR COMPANY'S PROFILE

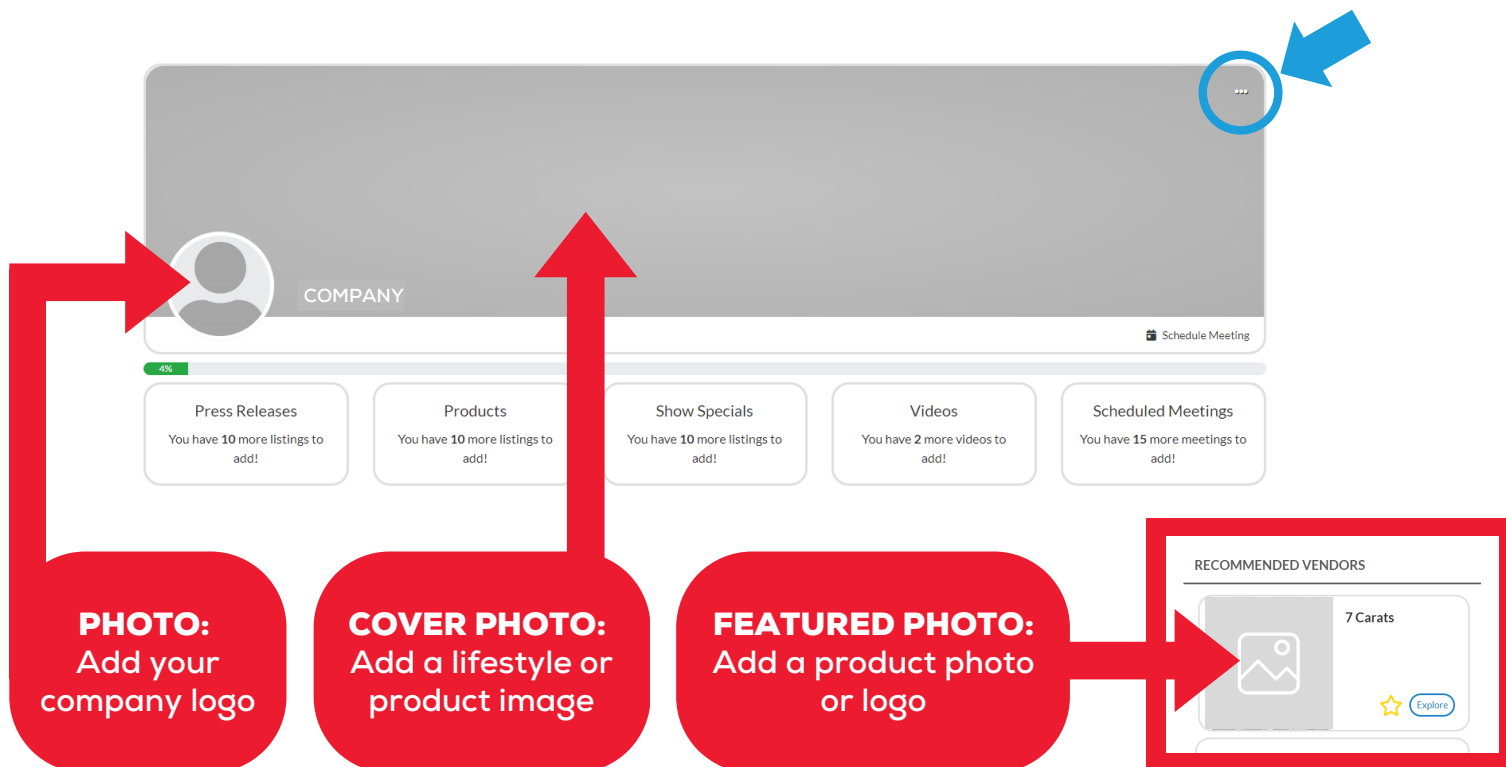

It is SO important for you to update your company information as this info is the only way SLTS buyers can find your company in the printed and online Vendor Directory, as well as the Connect Tool.

Be as thorough as possible for best results!

From your **Exhibitor Hub** page, update as much of the information below that is available to you depending on your package level:

1. Add your company photos:

- Click on the **3 dots** at the top right of the cover photo and click on Add Cover Photo, Add Profile Photo, and Add Featured Photo.

The diagram illustrates the Exhibitor Hub profile page with three main sections for adding photos, each highlighted with a red callout box and an arrow pointing to the corresponding area on the profile:

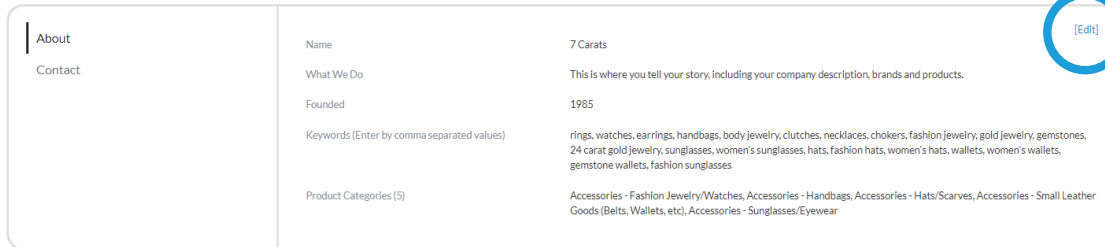

- PHOTO:** Add your company logo. This points to the circular profile picture placeholder on the left side of the header.
- COVER PHOTO:** Add a lifestyle or product image. This points to the large rectangular cover photo area at the top of the profile.
- FEATURED PHOTO:** Add a product photo or logo. This points to the 'Featured Photo' section in the 'RECOMMENDED VENDORS' area at the bottom right.

Additional annotations include a blue circle and arrow pointing to the three-dot menu in the top right corner of the cover photo, and a 'Schedule Meeting' button located in the bottom right corner of the cover photo area.

PRO TIP: Images not aligning correctly after you upload? Try uploading again, and zooming out & centering the image on the preview screen before clicking **Save**.
